

**YOUR LABOUR TEAM FOR**

**MYATT'S  
FIELDS**

Myatt's Fields Labour councillors Paul Gadsby and Annie Gallop.

Dear Neighbours,

### **Foxley Road survey**

As your local Labour councillors we have pledged to stay in touch with you and your neighbours. Everyone knows that our communities face serious challenges due to Conservative government incompetence – and some of these seem overwhelming. However, we can assure you that we are doing all we can to fight for you and your families and friends – and we have already achieved many successes in Myatt's Fields.

We need you to tell us about your concerns – what's important to you in our community. In particular, are there local issues you would like to bring to our attention, whether they're short-term needs or longer term improvements? What works well in your neighbourhoods from which other areas might benefit? What's your message to us and our colleagues on Lambeth council?

Please let us know by filling in the survey overleaf. You can also complete it online at [myattsfIELDSlabour.uk/residents-survey](http://myattsfIELDSlabour.uk/residents-survey) or by scanning the code on page 2.

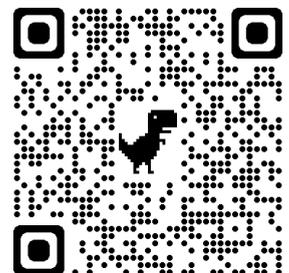

### **Update on traffic congestion on Cranmer Road**

Residents have told us of the terrible congestion which in part is being caused by delivery motorbikes from firms such as Just Eat and private bus companies. Fumes and noise damage our neighbours' health and the environment.

Following a walkabout with senior Lambeth officials and local residents, we have been promised:

- Stricter enforcement – fines have already been issued to motorbikes and bus companies.
- The Council has written to the companies involved warning them of more enforcement action if they do not sort out the problems.
- Action is being taken against motorbikes drivers parking their vehicles on pavements.

If you see any vehicles idling or acting inappropriately, please log this with the Council by scanning the code opposite or calling 020 7926 9694.

Best Wishes

Cllr Paul Gadsby

Please complete the survey below, put it in an envelope, write '**LAMBETH LABOUR**' on the envelope and pop it in a postbox (yes, you only need to write that!). You don't need to use a stamp – but it will save us money if you can.

Alternatively, you can take a picture of this survey and email it to [communitysurveylambeth@gmail.com](mailto:communitysurveylambeth@gmail.com)
